To Whom it may concern

James Thompson Auctioneers and Valuers have had a working relationship with Martindales Removals for the past forty years and can testify that we have always found them to be completely trustworthy, efficient and hard working. They are always punctual and equipped for any job large or small. The staff are always pleasant and polite and have a great deal of respect for the items they are handling. Their skill in loading a van is second to none with great care taken to wrap each item.

I would happily recommend Martindales as a well run Family Firm for any removal job.
